

We Need Your Help!

We will have a shopping day for 3rd-4th grade students on December 19th. This is a time when students can spend their Accelerated Reader points.

I need new or used items that are clean and in good condition. Items can be for mothers, fathers, brothers or sisters, even grandparents and aunts and uncles. Students love shopping for their family for Christmas and themselves. It is very rewarding to see them be able to purchase presents that they have earned on their own. They take time in deciding just the right thing they think their mom or dad will like.

So if you are doing any cleaning before Christmas and have items to donate please drop them off to the Elementary Library. Donations are tax deductible. We can also use Christmas wrapping paper and volunteers to help wrap presents. If you have an hour or half a day that you would like to volunteer to help please let us know.

I would also like to give our little shoppers a cookie after they are finished shopping. If you would be willing to make or purchase any cookies for the occasion it would be greatly appreciated. I've started baking and freezing some now in hopes that we will have plenty.
