

Students Chosen for the 2017-18 Respect Award

Character Pillar is Respect

3rd/4th – Being respectful means you treat yourself and others with kindness. You consider the feelings of others and remember that all people are important. You listen while others are talking. You speak calmly and always use positive, appropriate words. You follow the rules in your school which make our building a more peaceful place. You take care of your school by treating your desk, books, and playground equipment with care.

K-2nd – Being respectful means you treat yourself and others with kindness. You consider the feelings of others and remember that all people are important. You listen while others are talking. You speak calmly and always use positive, appropriate words. You follow the rules in your school which make our building a more peaceful place. You take care of your school by treating your desk, books, and playground equipment with care.
